Crux
Lecture -3

Programming Fundamentals 3
Arrays and Strings

Nidhi Agarwal

CODING
BLOCKS

Assignment ?

CODING
BLOCKS

Sorting

CODING BLOCKS

Lets write some code

- Bubble Sort

CODING
BLOCKS

Your turn

- Selection Sort

- Binary search in sorted array

CODING
BLOCKS

Strings in Java

- charAt
- Substring
- indexOf
- startsWith
- Immutable
- Concat

CODING BLOCKS

Pointers

- Don't have to worry about this in java

Lets write some code

- Print out all the characters of a String in different lines

- Check if a given String is Palindrome

CODING BLOCKS

Your turn

- Write code to count number of characters, lines and words from the input. Input terminates by a '$'.

- Print all the substrings of a string

CODING BLOCKS

CRUX

Thank You !! ☺
